## **Dorcas' Daughters~~~~Formerly Known As: The Knit Wits**

Greetings from Dorcas' Daughters. Our group is named after Dorcas, an early disciple of Jesus mentioned in Acts of the Apostles (Acts 9:36-43). She lived in the port city of Joppa, today absorbed by Tel Aviv. Acts describes her as being known for her "good works and acts of mercy," sewing clothes for the poor. When she died, the widows of her community mourned her and sent urgently for Peter. As evidence of her charity, they showed him some of the clothes she had sewn. According to the biblical account, he raised her from the dead. We chose to name our group after her because we make our shawls, lap robes, baby blankets and quilts out of love and care for those who are ill, having surgery, celebrating the arrival of a new baby, etc. Our gatherings are always filled with lots of stitching, conversation and laughter. We invite anyone who would like to join us to attend our next meeting at Mitchells on **Monday, September 28<sup>th</sup>, at 5:30 pm. Bring a bagged dinner.**

If you don't knit or crochet but would like to learn, we would be happy to teach you. We want to send a reminder that there are shawls, baby blankets and quilts available to be blessed if you know of someone who would like to receive one. There are items available in various sizes, lap blankets, and baby blankets. Members are always working on new projects. This ministry is an opportunity to share in the community and help others during times of need or celebration in their lives. Contact one of our members if you have any questions.

Blessings, Vickie Wallace

### **Listening Assistant Devices**

Available for those who would like to control the volume of worship. Folks are encouraged to bring their own headphones that plug into an AUX outlet. If you need assistance with devices, ask an usher to help.

### **Anniversaries & Birthdays**

*We want to make sure we're celebrating all our loved ones milestones on the monthly calendar. To ensure we have these important dates, please let us know if there are any additions or changes.*
